

# Ice fishing for trout, char, pike and perch

**E**ver experienced the feeling of standing on a large frozen lake with amazing winter scenery around you? If not, this is a wonderful experience that every one should live at least once. We offer you an ice fishing package fishing for trout, pike, perch and char.

**O**ur ice fishing packages always include fishing equipment and safety equipment and a pleasant and highly knowledgeable fishing guide. We always begin the ice fishing with a rundown of facts about ice and about safety.

**T**his is the perfect package if you want to experience ice fishing in different beautiful sceneries. This trip will take you up in the mountains to amazing mountain lakes and in to the forest to hidden forest lakes. The package includes guide, accommodation, all meals and of course all fishing and safety equipment.

Day 1 – Arrival after 3 pm. Time to explore the area on your own. Wood fired sauna and dinner in the evening.

Day 2 – Departure after breakfast for ice fishing in the mountains where we will fish for char and trout in beautiful winter mountains. Scoter transfer from the parking to the lake. Lunch will be served at the lake. Wood fired sauna and dinner in the evening.

Day 3 – After breakfast, snow shoe trek to a beautiful lake where we will fish for pike and perch. A barbeque lunch will be served at the lake. Wood fired sauna and dinner in the evening.

Day 4 – Departure day, check out before 12 am.
